

KRONICLE

Another great week here at Camp Katonim. The heat subsided, but the Lake was still perfect for lots of activity on the beach! As we moved into our second week, our Tripping program got underway. The BG 7/8/9 and LIT/CITs travelled to Sibbald's Point for a camping trip. Led by our tripper Aaron, the group enjoyed the wilderness and some great cooking. Thanks to Seth and Rachel for helping out on the trip. In addition, our BG 1/2s enjoyed some extra camp during their Late Night on Tuesday evening. Next month, these cabins will step it up and have their first Overnight at camp!

Our waterfront got an addition this week, a new (gently used) CL-14. It's orange and it's in great shape. Andrew and Max are very excited to teach the kids everything about sailing!

Our Twix 'n Tweeners had a visitor this week: "Circle Sing". The kids enjoyed the singing and instruments down at the beach.

Thanks to the moms and grandmothers who attended the Meet the Director. We had a nice talk and exchanged some good ideas. A very special thank you to an anonymous donor for donating \$600 to purchase a dishwasher for our kitchen. The dishwasher will enable Katonim to become more environment-ally friendly by using reusable dishes and utensils for staff meals and thereby reducing the amount of paper and styrofoam we use at camp.

Thursday's "The Amazing Race" was held down at the beach, where campers competed in various tasks to see who would win. Congratulations to Senior Camp for taking first place.

I would like to thank parents for respecting our policy of calling the office if your child needs to be picked up. Your children's safety is our primary concern. Limiting access to camp will help to ensure this.

Next Thursday we will be hosting the Camp Katonim annual Talent Show at 7 pm. In addition to viewing the wonderful talents of campers and staff, we will be holding an Art Show displaying all of your children's fantastic creations in arts & crafts and ceramics. You will have an opportunity to view and then take home your children's artwork.

The summer is now in full swing. I hope your children are enjoying their time here.

Have a wonderful weekend,

Richard and AJ

Coming Up in Week 2

Monday

- Lunchtime House leagues: "Track & Field"
- Permission Forms for Late Night/Overnights go home!

Tuesday

- Twin Day
- Twix 'n Tweener Late Night
- BG 3/4 Over Night @ Camp

Wednesday
