

KRONICLE

Well... we've reached the half-way point in the summer. Hard to believe, but lots to show for it! This week the beautiful weather continued and our Senior Camp took advantage by venturing to Wild Water Kingdom. The staff and campers had an "awesome" time. While Senior Camp was away, our Junior Camp and Twix & Tweeners were shaking up the floor with "Little Fingers". Charlie, Quinn, and Justin got everyone moving to their original energetic musical performance. Week 4 also meant COLOUR WARS. The Sun God and Goddess came to visit Katonim in order to crown a new Element. It was to be Fire (Red) or Water (Blue). On the first day, the

teams competed in a camp-wide Capture the Flag. The next day was filled with lots of cheering, a regatta down at the beach, a game of Dogs of War followed by even more cheering. The enthusiasm of the campers and staff was great. In the end, the Red team was victorious!

On Monday, we will be holding our annual Camp Katonim Carnival. This year we are including a Staff Experiences Silent Auction. This is a great opportunity to support Camp Katonim, which is a not-for-profit camp. Specifically, we are raising funds to repave our tennis court for next summer.

In addition, on Wednesday, the Great Baldini will visit Katonim to teach and perform magic. This year we thought we would include the whole community by inviting all parents, grandparents, and friends to the Magic Show on Wednesday night for Hobby Hubs. The show will begin at 7 PM in the Rec Hall. All are welcome.

To all the campers who will be leaving us, we hope you've had a memorable time and we look forward to seeing you next year!

Have a wonderful weekend,

Richard and AJ
