

KRONICLE

Well, it looks like we've come to the end of another summer at Camp Katonim. I feel very confident in saying that this summer was not just HOT, it was INCREDIBLE! I have heard so many compliments regarding the fantastic experiences we offer. I'm happy to say that our camper registration was up this year as compared to last year. However, we still need more. So please, tell your family and friends about this great little camp that just keeps on getting better.

Week 8 was one full of excitement. At lunch each day, there were news updates regarding sightings of the bandits who stole the olympic flame. Then, on Tuesday right before general swim, an emergency drill was called and sure enough the bandits were discovered hovering around the beach. Our staff tried to bring them in, but they escaped. However, what luck! The York Regional Police just happened to get the call and came to the rescue, cuffing the

bandits and taking them away. You can see it all right HERE.

Thus, the 2010 Katonim Olympics was launched. Argentina and Mexico battled for two exciting days, competing in all kinds of challenges from Cheer Offs to Regatta to Great Relay Race. In the end, the Mexicans took the flame as Olympic champions.

Thursday night, we all came together for our Camper Banquet. The staff worked well into the wee hours preparing the Rec Hall. The night wrapped up in the annual slideshow, created by Chanit (Richard's wife). The slide show can be viewed from our Photos page on our website. It should be posted soon. Then the journey down to the beach and the burning of the K.

I want to thank all of my staff, who worked so hard over the summer to make your children's experience so memorable, safe and special. In particular,

I would like to thank my Head Staff, Amanda Jean Davison (AJ), Chris Taylor, Jesse Cohen, Seth Giddens, and Sophia Bengall. These five worked so hard before and during the summer, pouring their hearts into Katonim to make it the best it could be.

Lastly, I would like to thank all the Balfour Beach Board members, who work with me throughout the year, planning, meeting, discussing and supporting every aspect of this camp.

In order to improve the camp, it would be helpful for you to complete the online survey by clicking HERE or typing this address into your browser:
